

iK: A Reinvigorating Breeze

iK is a day sign in the Mayan calendar system. It symbolizes the wind or breath which brings life and spirit to people all around. Its mision is giving impulse for breathing and growing. It also represents the Tree of Life and the God of Storms and Rain.

Air is and will always be a breath of life. Puerto Vallarta is, undoubtedly, an excellent place to evolve our body and spirit. The sea and its atmosphere of magic and charm bring fresh winds to its residents and visitors.

iK is the right place to refresh our senses and, specially, our soul.
